Displays up to 30" in a landscape or portrait orientation. The two 460mm arms can be installed in a side-by-side or back-to-back configuration in any of the four channels of the 400mm post. Perfect for screen real estate demanding applications and multi user environments. Touch screen compatible.

Upgrades

One or both display mounting heads can be replaced with the SYSTEMA notebook holder. Free channels in the desk attached post can accommodate additional arms to create multi display, notebook or tablet combinations.
